

### **About Barking Cat Jewelry**

Designed for the pet lover inside us all, Barking Cat Jewelry is the latest collection from jewelry artist and designer Ann Finley. Fashioned with clever pet phrases hand stamped on metal, the whimsical line of pendant necklaces captures the true essence of what it means to be a pet owner in a fun and quirky way.

The collection of over 20 different designs are inspired by cats, dogs and horses and feature sayings like, "Crazy Cat Lady," "Sleeps with Dogs," and "Horse Girl." Each pendant, hand stamped on 22 gauge copper and soldered to textured sterling, is complete with a sterling silver cat, dog or horse charm and hangs from a stainless steel ball chain.

Making its debut in 2007, Barking Cat Jewelry was the creative collaboration of Ann and her "coworkers" Bruno, a seven-year old rescue pup, and her two cats, Jack and Squeaker. Always at her feet while she was busy creating her much loved enamel jewelry pieces, her three furry friends were all the inspiration she needed to create her first pet pendant, "Sleeps with Dogs." The more Ann wore the necklace, the more she realized she was not alone in her love for her pets and thus, Barking Cat Jewelry was born.

From her first pendant creation in the summer of 2007, Ann has grown Barking Cat Jewelry to include fashions for dog, cat and horse lovers and offers over 20 original designs, including "Sleeps with Cats," "What Cat Hair," "Bite Me," "Rescue Mom," "Dances with Hoofs," "Who Rescued Who," "Petsitter Extraordinaire," "Born to Ride," and "Peace, Love & Paws."

Ann continues to hand make each piece in her Decatur, Georgia studio with her fuzzy friends, Bruno, and Nemo, a one-off Russian Blue who came home with her from a show in Indiana. (Sadly, Squeaker and Jack have both crossed over the Rainbow Bridge.)
